

assoc. prof. dr. arch.

Yasen Kyosev

Head of Department of Urban
Planning at UACEG (2020 – 2024 г.)
Sofia, Bulgaria

Yasen Kyosev was born in Sofia, Bulgaria in 1974. In 1993 he graduated from the First English Language High School and in 1999 obtained his MSc degree in Architecture from UACEG, Sofia. In 2001 he spent a specialization period in the Department of Urban Studies at KTH, Stockholm. Defended a thesis and obtained a PhD at the Department of Urban Planning at UACEG, Sofia in 2004.

His lasting professional interests are focused on urban history, as well as the design and development of city centers. Early years of professional practice show distinct participation in urban design competitions and projects in the team of Prof. Arch. Ivan Nikiforov.

In later years, Yasen Kyosev is the author of housing and vacation development projects as well as design of residential buildings. He has been a lecturer at the Architectural faculty of UACEG since 2003, associate professor since 2011, delivers lectures and design courses for the students of architecture, urbanism, landscape architecture and landscape planning.

Vice Dean of Architectural Faculty at UACEG 2011–2015 and Head of Department of Urban Planning 2020–2024.
